The Applicant expressly acknowledges and agrees as follows:

Article 1 General

1.1 Scope of CAB Actions. (a) The CAB performs product Conformity Assessment at the request of Applicants. The CAB is not assuming any obligation toward the Applicant other than what is explicitly stated in this agreement. The CAB does not intend to supply, and is not supplying, information for the guidance of the Applicant in the conduct of its business.

(b) Regarding all products submitted by the Applicant to the CAB for Conformity Assessment:

- (1) the Applicant is solely responsible for research, development testing, manufacture, marketing, and sale of those products;
- (2) the CAB is not assuming any responsibility that the Applicant may have to examine or test the design of those products, either before or after manufacture or sale;
- (3) the CAB is not a designer, manufacturer, marketer, supplier, endorser, guarantor, or insurer of those products;
- (4) the CAB does not in any way endorse those products or warrant either the safety or performance of those products; and
- (5) CAB activities are not intended to, and do not, supplant the Applicant's examination or testing of those products.

1.2 Applicant Participation. (a) Applicant participation in the NIJ CTP is voluntary. By executing this agreement, the Applicant agrees to comply with all CAB requirements for participating in the NIJ CTP and respond to CAB inquiries in what the CAB determines to be an appropriate timeframe. The applicant also agrees to immediately inform the CAB of any changes that may affect its ability to conform to CAB requirements.

(b) CAB requirements for participating in the NIJ CTP are documented in this agreement and separate documents identified by the CAB as the NIJ CTP Product Conformity Assessment System. If the NIJ CTP Product Conformity Assessment System conflicts with this agreement, this agreement has precedence.

1.3 NIJ CTP Product Conformity Assessment System. (a) The "NIJ CTP Product Conformity Assessment System" consists of a top level document containing general requirements and subordinate scheme documents organized by product type. The CAB shall make the NIJ CTP Product Conformity Assessment System available on request.

(c) NIJ alone shall make all final decisions concerning the interpretation of NIJ CTP Product Conformity Assessment System requirements.

1.4 Terminating a Product's Participation in the NIJ CTP. (a) The Applicant may terminate a product's participation in the NIJ CTP at any time by providing Notice to the CAB. The CAB may also terminate a product's participation in the NIJ CTP at any time by notifying the Applicant using the most recently supplied contact information.

(b) Terminating a product's participation in the NIJ CTP also withdraws all previous authorizations contained in the product's NIJ Notice of Compliance. The Applicant shall immediately:

- (1) stop applying any markings to the product or its packaging that indicate the product is compliant with NIJ CTP requirements,
- (2) cease and desist all advertising or statements claiming the compliance status of the affected product,
- (3) stop distribution of NIJ Notices of Compliance for the affected product, and

(d) Stopping NIJ CTP Surveillance activities regarding a terminated product may take up to 30 days.

1.5 Payment Terms. There shall be no fees paid by the Applicant to the CAB for participation in the NIJ CTP. This is not to imply that participation in the NIJ CTP is without cost. For each product submitted to the CAB, the Applicant is responsible for all expenses related to samples, shipping, testing, and surveillance activities required to demonstrate both initial and continued compliance with the NIJ CTP's requirements.

1.6 Release and Waiver. In consideration of this agreement to perform Conformity Assessment for the Applicant, the Applicant expressly waives, releases, and exempts the CAB and its managers, employees, technical experts, and subcontractors from any and all liability, claims, demands, actions, or causes of action whatsoever for any alleged loss, damage, or injury. This release and waiver is intended to, and does, cover all claims arising in tort as well as those arising under any state or federal statute that in any way arise out of, or relate to, the CAB's Conformity Assessment or to the CAB's performance and/or alleged non-performance under this agreement.

2.2 **Applicant Information.** The Applicant represents and warrants that all information and/or data provided to the CAB by the Applicant, or on the Applicant's behalf, are complete and accurate and that the CAB may rely thereon when performing Conformity Assessment of a related product. If any information and/or data provided to the CAB by the Applicant or on the Applicant's behalf are either incomplete or inaccurate, the CAB shall not be liable in any manner for any performance or alleged non-performance of Conformity Assessment under this agreement. The Applicant agrees and consents to the CAB's sharing the information and data provided by the Applicant with technical experts and staff in order for the CAB to perform the Conformity Assessment or act in the interest of officer safety. The Applicant further represents and warrants that all information and data provided to the CAB by the Applicant are properly owned or licensed by the Applicant and do not infringe on the intellectual property rights of any third party, and that the Applicant is allowed to provide such information to the CAB without restriction.

2.3 **Ownership of Work Product.** NIJ shall indefinitely retain all rights, title, and interest to the Evaluation package and any other documents in any form whatsoever conceived, prepared, or used by the CAB in the performance of its Conformity Assessment.

NIJ Certification is documented using an Attestation of compliance in the form of a written “NIJ Notice of Compliance” that indicates the outcome of the CAB’s product Conformity Assessment of samples and materials provided to the CAB. The NIJ Notice of Compliance does not indicate the status of individual products that have not been directly tested and examined by the CAB. The Applicant shall not reproduce the NIJ Notice of Compliance unless the reproduction is complete and unedited. The NIJ Notice of Compliance shall authorize the Applicant to begin marking products in compliance with this agreement and the NIJ CTP Product Conformity Assessment System.

2.7 Withdrawal of Product’s NIJ Certification. A product’s NIJ Certification may be withdrawn and the product’s participation in the NIJ CTP terminated by NIJ at any time that NIJ determines that:

4.1 **Authorization to Use the NIJ Mark.** (a) The NIJ mark shall only be applied to ballistic body armor by authorized Applicants.

(b) Completion of this agreement does not authorize the Applicant to apply or reference the NIJ Mark. Authorization to apply and reference the NIJ Mark can only be granted by both completion of this agreement, and the receipt of an NIJ Notice of Compliance that contains written authorization to apply the NIJ Mark to a specific model. The NIJ Notice of compliance must also be signed by an NIJ staff member who is properly authorized to do so.

4.2 **Appearance.** An example of the NIJ Conformity Assessment Mark (“NIJ Mark”) appears below. Additional requirements regarding its appearance when used by Applicants are located in the NIJ CTP Product Conformity Assessment System.

(b) Applicants may be authorized by NIJ to utilize the NIJ Mark as described in this agreement. Usage of the NIJ Mark outside of the limits provided for in this agreement is misrepresentation and infringement of the NIJ Mark. Any misuse of the NIJ Mark will cause irreparable injury and is potentially actionable. The CAB or its representatives may confiscate all unauthorized NIJ Marks. At the CAB’s discretion, confiscation of unauthorized NIJ Marks may also include confiscation of the products or medium to which they have been applied or affixed.

4.4 **Purpose of NIJ Mark.** The purpose of the NIJ Mark is NOT to provide an endorsement of any kind, but rather to identify products that are manufactured under the oversight of the applicable NIJ CTP Surveillance program, in order to provide confidence that those products will perform similarly to those items they represent that were tested and examined by the CAB.

4.5 **Conditions of Use.** (a) The Applicant may only use the NIJ Mark in association with the specific product identified and authorized in a NIJ Notice of Compliance. The NIJ Mark may only be applied at facility locations authorized by the CAB. The NIJ Mark shall stand by itself and shall not be combined with any other logo, symbol, or graphic. The NIJ Mark shall be applied directly to each product.

- (4) is produced to the same specifications as test items that the CAB found by the initial testing to be in conformity with the standard, and

(c) An Applicant's application of the NIJ Mark to a product represents the Applicant's attestation that the requirements of section 4.5(b) have been met and apply to that product.

(d) The NIJ Mark may only be used when placed adjacent to:

- (1) the Model Designation as it appears on the applicable Notice of Compliance,
- (2) the Listee provided to the NIJ CTP,
- (3) the applicable standard as it appears on the Notice of Compliance, and
- (4) any additional information required by the NIJ CTP Product Conformity Assessment System.

- (1) a general product type or group of products,
- (2) the Applicant,
- (3) a manufacturing location, or
- (4) a test laboratory.

(f) Before usage, all applications of the NIJ Mark must be approved by the CAB to verify appearance and compliance with this agreement. All changes and additional NIJ Mark applications must receive additional approval from the CAB.

(g) Failure to comply with these conditions shall be considered unauthorized use of the NIJ Mark and unsatisfactory participation in the associated NIJ CTP Surveillance Program.

4.6 Additional Responsibilities. The Applicant shall:
